ARTIST_ Th.is fake

PLAYS AS _ DJ

BIOGRAPHY_

Lucas Dann alias Th.is fake based in Berlin was born in a northern city near Hamburg. Started DJing at the age of 14 with a computer and Virtual DJ. Initially he played around with classical House tunes peppered with Electro House and Dubstep elements.

After a complete mind change, he started to believe in Techno, the Housy side of it and Deep House.

Since then he was heavily influenced by the Berlin club scene.

Now he connects very groovy and dry House with melodically basslines. From 2013 - 2016 he was resident DJ at the famous Skins partys. 2014 he moved to Berlin and started his mixtape series "Unter fremden Einflüssen".

DJ's he played with_ Teenage Mutants, Mikael Jonasson, Artenvielfalt, Dachgeschoss, Topdawgs, Modek, Zoo Clique, Haezer and many more...
